Daily Reading

Tuesday – P.E

Dear Parents and Carer's

We have had a busy school term with a music trip to The Red House, a visit to the library, celebrating World Book Day, designing and making our own vehicles and cooking. We are looking forward to this half term with lots more fun learning opportunities.

In Literacy last half term we focused on diary writing and have also been busy writing letters to some of the residents in St Barnabas Care Home. While learning about instructions the children made pancakes and pizzas. We are now moving on to look at writing explanations and linking this to our science topic about Growing.

In Numeracy last half term the children enjoyed learning about 2D and 3D shapes. The focus for this half term is position, directions and time. We will be doing this practically using a wide range of resources to develop understanding.

If at any time you have any questions or concerns please do not hesitate to speak to us, leave a message at the school office or email, m.knowles@southwoldprimaryschool.org.

Kind Regards

Mrs. Knowles

Important Announcements

Ways to help at home

Reading

Please make sure that you send your child's reading book and reading diary into school every day.

Maths

Please go through the 2, 5 and 10 times tables with your child if you have some time.
