

Jupiter Class

Welcome back and we hope that you all enjoyed the break from school and learning from home. Hopefully we are now able to leave the cold ice and snow in winter and start to look ahead to the longer days, slight warmth and bright colours that spring will bring.

This half term our new topic is Amazing Authors. Wow what a topic for five weeks but we will pack in as much as we can to enjoy before the Easter holidays are upon us. Whilst we will look at, and enjoy, many authors during discussions the main focus for our topic will be Michael Foreman. Michael Foreman is a local author and illustrator who was born and grew up in Pakefield near Lowestoft. We will look at War Game and War Boy in particular and through our History lessons will learn more about what it was like during the world wars. More information about the areas of focus for this half term can be found on the Knowledge Organisers which are attached.

Mrs Taylor and Mrs Goddard
