
Astronauts

Wow! Summer term already. Where has this year gone? I hope that you all had a restful Easter break and enjoyed plenty of chocolate. This half term our topic will be 'Dinosaurs and Minibeasts'. Head over to the school website to find out more about our learning for this half term.

I am very excited to continue working on our outdoor area. Our 'Bug Hotel' is complete, all we need now are some creepy crawlies to take up residency.

We have been very fortunate to receive some great donations. A big thank you to Ben at Rouse Forestry, who took the time to cut us some log slices. These are a great addition to our Early Years area as they have so many uses. We can't wait to share some photos of these in use. We have also been gifted a large piece of artificial grass which the children are loving! It's great to have some greenery in our outdoor space.

REMINDER: Please can we discourage children from bring in toys from home. It really is causing many arguments amongst children. It also creates upset children when things get lost or broken.

Ms Eaton and the Early Years Team

Weekly Events

Reading - Reception

Please remember to return reading books so that they can be changed. I'm sure that you are all reading plenty of stories at home but the reading books that are sent home link directly to the sounds that children are learning in phonics. This enables them to apply and practice sounds that are being taught.

PE

PE will continue on a Tuesday. If you have a child in Reception, please make sure they come to school in their PE kits. Nursery children will have the opportunity to join in with PE and are welcome to wear PE kits if they wish.
