

# Jupiter Class

Dear Jupiter Parents and Carers,

Welcome to the summer term! I sincerely hope that Jupiter class will have a full term of uninterrupted fun and learning. We have lots of excitement ahead including new after school clubs, sports days and a whole school play.

As you know, I will be in from Tuesday to Friday with Miss Peck covering Mondays. I am fortunate to know your children very well by now and look forward to helping them all make huge progress both emotionally and with their learning.

This half term our new topic is the Ancient Maya Civilisation. The first book we will study is *The Great Kapok Tree* by Lynne Cherry which will be a fantastic introduction to the Americas and persuasive writing.

In science we will be looking at plants – a perfect term to be doing so. The children have already planted some seed potatoes and we hope to harvest and cook these later in the term. In Religious Education we will be looking at the fascinating Hindu religion. More information about the areas of focus for this half term can be found on the Knowledge Organisers which are attached.

Thank you all for your continued support and the huge encouragement you give to your children.

Mrs Taylor

## Weekly Events

### Daily

Please bring a drink every day. Small bags may now be brought to school with reading books and diaries.

### Tuesdays

PE – Please come dressed ready for this.

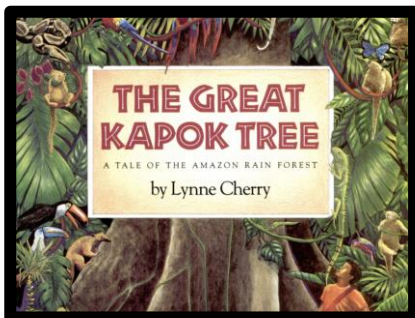

### Fridays
