11 June 2021

Dear parents and carers,

The children in Astronauts really enjoy being outside regardless of the weather and now that Summer seems to have arrived, it is essential that we make every effort to protect their delicate skin from burning.

To maximise their enjoyment and minimise disruption, I kindly ask that you do the following:

- 1) Please apply suitable suncream BEFORE coming to school. It should be suitable for usual water play and provide skin protection for the whole day. A waterproof SPF50 lotion or cream that provides broad protection against both UVA and UVB should be ideal.
- 2) DO NOT send suncream into school with your child. Whilst we encourage independent skills, we are not able to supervise each child applying suncream repeatedly or 'sharing' it with their friends.
- 3) Please ensure your child has a suitable sun hat that is clearly labelled. Sun hats should be either broad-brimmed (bucket style) or legionnaire (front brim and neck cloth) to shade the face, neck and ears. Baseball caps are not recommended.

Thank you for your support.

Please do not hesitate to ask if you have questions or concerns.

Holly Eaton
Early Years Leader
