

Apollo Class

Dear Parents and Carers,

Welcome back to the new term and a wonderful array of learning opportunities ahead of us.

This term in English, we are developing our skills on how to write a third person narrative through a series of engaging activities, based on the text 'How night came from the sea'. Across the year groups, we are focusing on age-appropriate grammar and sentence structure too. Please remember to help your child learn their weekly spellings.

In maths, we will start exploring time, decimals and money. We will continue to learn our times tables, so we are really fluent with them.

This term in geography our students are embarking on an exciting journey to answer the big question 'How have cartographers represented London over time?'

This term in science, our young scientists are deepening their understanding of the world around them through an exciting unit on evolution and inheritance. We will investigate how living things adapt and change over millions of years. They will understand the specifics of human evolution, famous scientific discoveries throughout history and adaptation examples from the real world.

The children are very excited about our forthcoming concert on May the 1st and we look forward to seeing you at the church.

Please do not hesitate to contact us if you have any questions or concerns. We look forward to seeing you at celebration assemblies and reading events.

Ms. Brierley, Mrs. Warne, Miss Harrison and Miss Peck

Weekly Events and Announcements

- ❖ Swimming on Tuesday
- ❖ Choir on Thursday
- ❖ Spelling and times tables tests on Friday

The children will continue to use 'Boom Reader'. Please encourage your child to read at home at least 3 times a week and record on Boom Reader.

Children will also have spellings given out on a Friday and tested the following Friday. They can practice using the Spelling Shed login details which are in their spelling record books.

TT Rockstars will help to enable children to practice rapid recall of the times tables.

Thank you for your continued support.
