

Jupiter Class

Dear Jupiter Parents and Carers,

The summer has flown by as usual and we are hugely optimistic for a more "normal" term this term. We have lots of exciting plans on the horizon.

This term Jupiter class will be taught by Mrs Last on Monday and Tuesday and Mrs Taylor for the remainder of the week.

This term our topic is Humankind; within this we will be asking such questions as - Where has Dunwich Gone? How can we link the sea to humankind through sculpture? How are sea shanties important to humans?

Our main texts for English will be A walk in London and in maths we will start the year exploring place value. More information about the areas of focus for this half term can be found on the website.

We can't wait to build strong relationships with your children and watch them flourish and grow in all areas of their character and intellect.

Very best wishes from

Mrs Taylor and Mrs Last

What is a
Sea Shanty?

Weekly Events

Daily

Please bring a drink every day. Small bags may now be brought to school with reading books.

Wednesdays

PE – We will now be changing at school for this

Fridays
