

# Astronauts Class

Dear Parents and Carers,

This half term we will be continuing our 'Humankind' topic. For more information on what we will be learning about, head over to our school website where you can find our planning.

Unfortunately we are currently not allowed visitors in school due to other rising cases of COVID-19. This does mean that we are going to have to postpone the opening of our Baby & Toddler Group (More information to follow). However we are still needing good quality toys, specifically suitable for children aged 6months – 2 years. If you have anything that you are willing to donate, we would be very grateful.

Now that the weather is turning colder, please ensure that children are coming to school with coats. As we spend a lot of time outside it is a good idea for children to bring hats and gloves too.

If your child is in reception and you have heard them read at home, please ensure that you write a note in their reading record so that their book can be changed. Well done to those of you that are reading regularly at home. We are definitely able to see the progress in school. Keep it up!

Kind Regards

Ms Eaton + The Early Years Team

## Weekly Events

**Tuesday – PE (Reception)**

**Daily – Reading books**

### Important Announcements

We strongly encourage children to bring a book bag to school, including our nursery children.

We would like to start up a library book system for all of our children in Astronauts. This will mean that children are able to choose a story to share at home and these will be changed weekly. Having a book bag not only helps to remind you to return these books but it also ensures that children have enough room in a bag to take these home.

We have plenty of book bags available at a cost of £3.
