

Astronauts Class

Dear Parents and Carers,

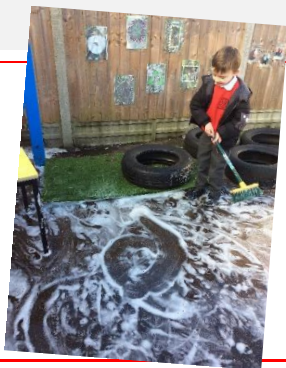

Welcome back to a new term, this term we are focusing on collaborative learning across the whole school. We will be developing children's skills in resolving conflicts, sharing ideas with their partners and others, as well as being a supportive and helpful pupil.

We are looking at the story of 'The Three Billy Goats Gruff' and talking about construction of bridges and houses, leading into 'The Three Little Pigs'. The children are enjoying retelling stories and making story props, they have made masks and puppets so far and are using lovely story language.

In Maths we are looking at solid knowledge and understanding of numbers to 10, talking about which numbers make 10 and exploring this through lots of active games. We will be exploring 2D and 3D shapes later in the term through junk modelling and building models.

Kind Regards

Mrs Conroy and Early Years Team

Weekly Events

Everyday- Reading books checked and changed when needed.

Important Announcements

Reading Books- Please send in your child's reading books in everyday, we check their reading records and read with them throughout the week also.

Healthy Lunches and snacks- Can we please ask that your child's lunchbox is a balanced meal. Some suggestions for this are below.

- Sandwich/ roll/ breadsticks/ wrap.
- Fruit/ Vegetables
- Cheese/ Yogurt
- Chocolate wafer or biscuit.
- Crisps or crackers

We provide fruit/ vegetables for snack time but if you wish to send anything in please can it be a healthy snack of fruit or vegetables.

Thank you
