

Jupiter Class

Dear Jupiter Parents and Carers,

We hope you all had a wonderful Easter and are all ready for a busy and exciting summer term. This term Jupiter class will be taught by Mrs Last on Monday and Tuesday and Mrs Taylor for the remainder of the week as last term.

This term our topic is civilisations and we are going on an exciting school trip to the Saxon Village in West Stow – details to follow. We will be learning all about the important work that archaeologists do to help us to understand the past. We will also be heading outside for science to study how living things are classified.

In RE we are going to consider different religious holy books and why they are important to their believers and how they impact on people's lives. We are going to start this unit by thinking about books that are special to us.

Our main texts for English will be a non-fiction text about the Anglo Saxons and the story of Beowulf. These books are obviously very much related to our History topic enabling the children to have lots of content for their newspaper article writing genre.

Very best wishes from,

Mrs Taylor and Mrs Last

Weekly Events

Daily

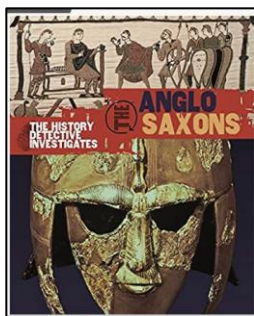

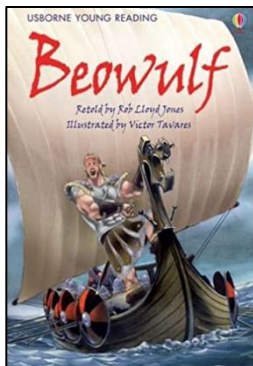

Please bring a drink every day. Small bags may now be brought to school with reading books.

Wednesday

PE – Please bring PE kit

Fridays

You are invited to join us for Celebration Assemblies again on the 29.4.22 and 20.5.22 – 3pm in the School Hall.
