

Astronauts Class

Dear Parents and Carers,

Welcome back to the Summer term, as a whole school we are focusing on the learning characteristic of **Responsibility**. This will be something you can also work on at home you're your children, giving them small responsibilities to help around the home. In school this will be something we continually support and encourage with jobs around the school and understanding what the word means through stories.

This term we are focusing on the topic of Africa and the story of Handa's Surprise. We will be looking at healthy living and exploring how other children live in Africa. There will be African dancing, making different types of patterns and also discovering which animals are from Africa.

Thank you so much for coming to the Come and Play session last term. The date of our next session will be

Monday 23rd May at 2.15pm.

This will be an African themed session and the children will be able to dress up in costumes for this day, whether it's some African patterned clothing or maybe an African animal or fruit! You can creative as you like!

Kind Regards

Mrs Conroy and Early Years Team

Weekly Events

Everyday- Reading books checked and changed when needed.

Important Announcements

Reading Books- Please send in your child's reading books in everyday, we check their reading records and read with them throughout the week also.
