Ways to help at home

Please make sure that you send your child's reading book and reading diary into school every day

Dear Parents and Carers,

Welcome back to a new school term, we hope you had a lovely summer. It will be a great term full of fun learning opportunities.

In Literacy we will be learning to write reports about dragons and making up our own dragon stories. We will be doing this by exploring dragons in lots of different stories.

In Numeracy we will be learning to compare numbers saying which is greater and less. We will have fun counting backwards and learning to count in 2s, 5s and 10s. We will be singing songs and using a wide range of resources to develop understanding.

In topic the children will have fun exploring castles and what they were like to live in. This all links to our Art where the children will be studying Paul Klee and his painting called Castle and Sun.

If at any time you have any questions or concerns please do not hesitate to speak to us, leave a message at the school office or email, m.knowles@southwoldprimaryschool.org.

Kind Regards

Mrs. Knowles

Space for pictures? Any other Information?
