### Ways to help at home

Please make sure that you send your child's reading book and reading diary into school every day.

### Reading Challenge

The children are working their way to 100 reads! Please read and sign your child's reading record and send it in every day. The children receive rewards when they reach different stages of the challenge.

### Library Book

Your children will now have three books to take home, two reading books and one library book. Please enjoy reading with your child. **The library book will be changed on Tuesdays.**

Dear Parents and Carers,

Welcome back to a new school term, we hope you had a lovely half term. It will be a great term full of fun learning opportunities.

In Literacy we will be learning about wishing tales. We will be doing this by exploring the story – The Magic Porridge Pot, we will be making porridge and writing our own wishing tales.

In Numeracy we will be learning about addition and subtraction. We will have fun singing number bond songs and using a wide range of resources to develop understanding.

In Music the children will be learning songs for the Christmas production. To finish our topic on castles the children will be designing and making their own castle.

If at any time you have any questions or concerns please do not hesitate to speak to us, leave a message at the school office or email, [m.knowles@southwoldprimaryschool.org](mailto:m.knowles@southwoldprimaryschool.org).

Kind Regards

Mrs. Knowles
