

# Astronauts Class

Dear Parents and Carers,

Last term we had a big focus on building relationships as well consolidating routines. The children have been talking about emotions and how we manage our emotions. We are building on confidence and self-regulation skills, this will continue throughout the year.

This term we have a wide variety of experiences for the children to enjoy, this week they have loved all of the pumpkins. From making pumpkin gloop, to painting, chopping the pumpkins and there has been some great math's vocabulary used comparing the look, weight and size of the pumpkins. Thank you for all of your donations.

In Math's are exploring our understanding of numbers to 5 and what more or less means this will be taught and explored through games, stories and many other activities.

In phonics we are looking at the letters s-a-t-p so far each week there will be activities on tapestry to inform you of our learning and how you can support.

Kind Regards

Mrs Conroy and the Early Years Team

Meet the team-

**Mrs Conroy-**  
Class Teacher

**Mrs Royall-**  
Teaching Assistant

**Miss Harrison-**  
Teaching Assistant

## Weekly Events

**Mondays – PE**

### Important Announcements

#### Daily Reading

It is really important to share a book with your child as much as possible. It is vital to develop their language, understanding and listening skills. Please can you sign your child's book to show us you have read so we can change the books.

#### Christmas Raffle

We would like to raise some money for a Christmas party for the children. We are making up two hampers, one for adults and one for a child. If you would like to make any donations of suitable gifts for the hampers please send them in by

**Friday 25<sup>th</sup> November**

Raffle tickets will be on sale

**Monday 28<sup>th</sup> November**

(More information on prices to follow)
