

Astronauts Class

Dear Parents and Carers,

Welcome back and we hope you all had a lovely summer. We are very excited to welcome you all back and to see some new faces.

This term we are going to be really focusing on settling the children into routine, we have already discussed class routines and expectations with the children. They have been great taking on responsibilities and looking after the classroom, we look forward to seeing them blossom over this term.

We are exploring listening and attention with all of the children through phonics and will be introducing a 'Letter of the week'. The children will be taking on activities to support their focus and development so that we can progress on to further skills in phonics.

In Maths we are exploring lots of basic counting through songs and rhymes. We are working in small groups to play a range of games using dice and supporting some basic number knowledge. This will vary across the class and children will be challenged and supported where needed.

Our overall learning topic for the whole school is 'Conflict', as an early years class we will be exploring this through social interactions and friendships. Helping the children to develop resilience and supporting them to build relationships.

Kind Regards

Mrs Conroy and the Early Years Team

Meet the team-

Mrs Conroy-
Class Teacher

Mrs Royall-
Teaching Assistant

Miss Harrison-
Teaching Assistant

Mrs Hooper-
Teaching Assistant

Weekly Events

Mondays – PE

Important Announcements

Come and Play session

Wednesday 19th October
2-3pm

Come along and share an hour of learning with your child.

All About Me

Please log into your browser on Tapestry and complete your child's 'all about me page'.

Also we would love you to share some of your holiday photos so that we can talk to your children about their holidays.

Class Display

Please can you send one family photo of your child and their family for our class board and discussions? Please feel free to add to Tapestry and we can print it.
