

# Mars Class

Dear Parents and Carers,

Welcome back into my favourite term of the year. We have a very busy term ahead. We started with our fantastic trip to Time and Tide museum where the children learning all about life during the war. We met a homeguard, an ARP warden, learning about rationing and how to Make do and Mend.

Our English will focus on the text Everest as we learn how Edmund Hillary and Tenzing Norgay conquered the mountain. We will then link to science and the space race and the children will write their own explanation of the race to get to the moon.

In Maths we will be focusing on multiplication and division before moving onto fractions.

This term in science we will be learning about Earth and Space.

To link in with our learning about the war and our RE question Should we all be equal, we are going to lightly touch on the sensitive topic of the Holocaust. We will learn about Kindertransport, Anne Frank and some of the conditions Jewish people endured during the war.

Mars Class will be swimming at the school pool at Yoxford and Peasenhall this half term on **Tuesday afternoons**

Any questions, please feel free to contact me or speak to me at drop off/pick up.

Kind Regards

Mrs Youngman, Miss Hooper and Mr Arlow.

## Weekly Events

Daily

**Tuesday – PE/swimming**

## Important Announcements

- Gates open at 8:20
- School begins at 8:30
- PE will be on a Tuesday.
