

Astronauts Class

Dear Parents and Carers,

Welcome back, we hope you all had a restful break. For the spring term the whole school theme is 'Planet Earth', Astronauts will be learning about the polar regions, looking at the animals and their habitats.

In phonics we are still developing our letter recognition and word reading skills of segmenting and blending. Reading at home is really important to support progress.

In Maths we will be exploring numbers to ten and also looking at length and capacity. We will be exploring this through their play and looking at animal sizes and how the children are growing.

We have also started our tooth brushing programme, the children are very excited to start this. We will be looking at how to keep our teeth healthy and explore what we use our teeth for.

Kind Regards

Mrs Conroy and the Early Years Team

Meet the team-

Mrs Conroy-
Class Teacher

Mrs Royall-
Teaching Assistant

Important Announcements

Daily Reading

It is really important to share a book with your child as much as possible. It is vital to develop their language, understanding and listening skills. Please sign your child's reading record book to show us you have read so we can change the books.

Come and Play

We would like to invite you along to this terms come and play session on **Thursday 9th February 2-3pm**
