

Astronauts Class

Dear Parents and Carers,

Welcome back, I hope you all had a restful Easter break. The summer term our overall theme will be 'Britain', this half term we will be looking at transport and London. Next term we'll be looking at mini-beasts and growing.

In phonics, Reception are developing our reading and writing skills, looking at real and nonsense words. Nursery are continuing to develop their attention and listening skills through games and activities.

In Maths we will be exploring a deeper knowledge of numbers from 0-20, we will be exploring shape, length and patterns. This will be done in a wide range of ways through stories, games and fun activities.

The reading challenge is going well and we are really pleased how engaged the children have been, thank you for all of your support.

Over this summer term we will be supporting those transitions of moving year groups, we will keep you informed of any important dates and activities for this.

Kind Regards

Mrs Conroy and the Early Years Team

Meet the team-

Mrs Conroy-
Class Teacher

Mrs Royall-
Teaching Assistant

Miss Harrison-
Teaching Assistant

Mrs Hooper-
Teaching Assistant

Weekly Events

Mondays – PE

Important Announcements

Daily Reading

It is really important to share a book with your child as much as possible. It is vital to develop their language, understanding and listening skills. Please can you sign your child's book to show us you have read so we can change the books.

Come and Play

We would like to invite you along to this terms come and play session on **Thursday 25th May 2-3pm**

Term 6 Events

Reception Graduation Assembly- Monday 10th July (Time TBC)

Celebration Picnic at Tibbys- Monday 17th July (Time TBC)

This picnic will be for parents and all children.

Looking back on learning
