

Jupiter Class

Dear Jupiter Parents and Carers,

Miss Peck and I are really looking forward to an action packed summer term. We hope you have had a fantastic Easter break.

This term, Miss Peck, will be teaching Jupiter on a Monday, Tuesday and Wednesday, with Mrs Taylor taking Thursday and Friday. PE will be on a Friday afternoon with Mrs Taylor.

Our topic this term will be Britain; very apt with the Coronation coming up, which we have lots of exciting things planned for. In science we will be looking at plants and this will include a trip to Carlton Marshes which we are now organizing for 19th May.

In History we will be studying the Romans; looking at artefacts, looking at events that caused Boudicca to become a warrior queen and looking at the Iceni and Roman armies and the invasion of the Romans. This will also be part of the focus in Geography, looking to the areas across Europe, where the Romans invaded.

Thank you for your continued support.

Mrs Taylor and Miss Peck
