

Mars Class

Wishing you all a very warm welcome back, especially my new Year 5s. I am very excited to think on the eve of the new academic year, of getting back into our new normal with my full class. I can't wait to start working with you all.

Mrs Katy Last

This new academic year.....

Will be different; we have a new classroom layout, we have extra routine handwashing measures in place, we will have virtual assemblies, but what most definitely will be the same is our enthusiasm for teaching all of you. We can't wait to see you all shine this year.

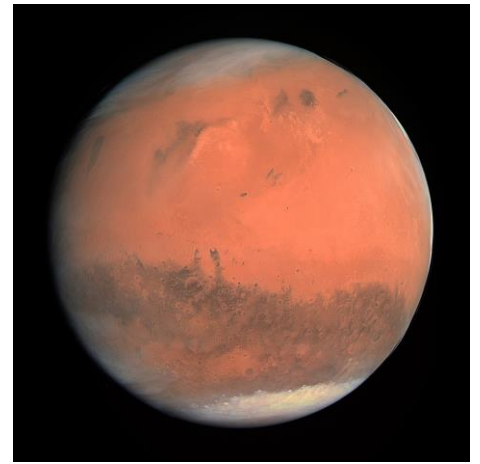

Homework....

Eventually, when we have got used to our new routine, will be fun and exciting and set online on our Google Classroom platforms. Watch this space for more info.

Reading, lovely reading.....

Will be so important in Mars Class. All of you will be able to select a book to read for pleasure in school, unfortunately you will not be able to bring these home due to Covid restrictions. As a class we will be enjoying 'My Story – The Tudor Queen' by Alison Prince to compliment our Topic. This will be alongside our class Guided Reading. Please still read your own book choices at home.

Happy Half Term!
