# Pluto and Comets

---

Welcome back to the new school year. I would like to say a big well done to all of the children in Early Years, they have settled in really well. Despite it being a strange and difficult time for everyone, they have all adapted well.

This half term our topic will be 'All About Me'. This topic will include looking at similarities and differences between ourselves and our families. We will also be learning about the Royal family and British History, including The Great Fire of London.

Unfortunately due to the current situation we will not be sending school diaries or reading books home. However, once the reception child are settled they will have a reading book in school. Nursery children also have access to plenty of books throughout the week but please do make sure you are also encouraging children to share stories at home.

Lastly, I would like to remind all parents about Tapestry. We strongly encourage you to download the 'app' to keep a track of your child's learning. We would also love to see what the children get up to at home, so please feel free to upload your own observations. If you need any support with Tapestry please speak to a member of staff.

## **Mrs Eaton and the Early Years Team**

---

Please can we remind all parents to drop off and collect their children as quickly as possible to avoid congestion.

---

## **Weekly Events**

### **Fridays**

Celebration assembly (children only due to current situation).

### **Wednesdays**

Pluto will have PE with Mrs Tilley on a Tuesday. Children should arrive at school already dressed in weather appropriate P.E. kits. All P.E. will be outside if the weather permits.

### **Wednesdays**

Once the children in Pluto are completely settled and familiar with routines, they will receive homework. Some weeks this may require them to sit down and complete a task and other times they may be required to carry out a more practical task. This will be shared via Google Classrooms, more information will follow.
